Legendary Studios

Unique. Exclusive. Unforgettable

In 1929, The Gramophone Company sought to create a new recording facility for its expanding roster of artists. Their search led them to London’s St. John’s Wood, and the purchase of an elegant Georgian townhouse at No.3 Abbey Road.

Within two years the house would be transformed into EMI Studios, the world’s first purpose-built recording facility, and become home to some of the most celebrated music recordings of all time.

Abbey Road Studios is as iconic as the legendary artists that still record here every day. Countless performances of masterpieces by the greatest musicians and artists in the world have been recorded in the famous rooms, which are now available for exclusive event hire.

Whatever the occasion, an event at Abbey Road is an unforgettable experience, and a memory for life.

WE INVITE YOU TO PARTICIPATE IN AN AMAZING OPPORTUNITY TO BE PART OF THIS EVENT IN THE MOST FAMOUS PLACE IN LONDON
